*Honoring
Those Who
Served*

The Goal

To build a permanent memorial dedicated to honoring the men and women of the United States Military who have served their country. We want to honor the sacrifices that have been made.

Description of the Memorial

The memorial consists of a bronze statue center piece sitting on top of a gray granite pedestal. Attached to the sides of the center pedestal will be engraved black plaques representing all 5 branches of the military. Surrounding the center pedestal will be 6 black granite slabs sitting on top of 18" gray granite bases. Names of veterans will be engraved on one side, historical data and pictures will be engraved on the other. To the rear of the memorial will be a black granite wall etched with the portraits of our family heroes surrounded by military and war pictures. Flags will be placed around the area along with benches, donor plaques, lighting and a walkway with appropriate landscaping. Throughout the memorial 50 American Flags will be displayed (some flying and some etched in the walls).

Honorary Portrait-\$1,000.00

Working Together

We hope to have the entire amount needed by July 1st 2019 and begin construction this summer.

Gifts

~Gifts of livestock and grain will be accepted.

~IRA rollover donations are available for donors over 70 ½ years of age.

~Larger contributions to the memorial will be recognized.
